Notice of Acceptance and Acknowledgement of § 8 Declaration and §9 Renewal is attached as Exhibit N. The **FLORASUN** (stylized) registration is subsisting and Petitioner has considerable goodwill established in this mark.

PRIORITY AND LIKELIHOOD OF CONFUSION

17. The goods sought to be covered by Applicant are substantially similar to the goods provided by Petitioner. It is especially pertinent that both Petitioner and Applicant are in the similar business of supplying compounds for use in the cosmetics market.
18. Petitioner has used “flora” as a prefix in no fewer than fourteen well-known, established, registered and subsisting trademarks: **FLORATECH.COM** (stylized), **FLORABUTTER**, **FLORACARE**, **FLORAPEARLS**(stylized), **FLORASPHERES** (stylized), **FLORALIPIDS** (stylized), **FLORASOMES** (stylized), **FLORAMAC** (stylized), **FLORATECH INTERNATIONAL FLORA TECHNOLOGIES THE NATURAL SOLUTION** (stylized), **FLORATECH** (stylized), **FLORABEADS** (stylized), **FLORASOLVS** (stylized), **FLORAESTERS** (stylized) and **FLORASUN** (stylized) prior to Applicant’s attempt to register the mark FLORACOL.
19. Applicant’s mark has a similar sound to Petitioner’s already registered trademarks and, given the similar commercial channel of trade, is confusingly similar to Petitioner’s already registered trademarks.
20. Applicant’s mark has a similar connotation to Petitioner’s already registered trademarks and, given the similar commercial channel of trade, is confusingly similar to Petitioner’s already registered trademarks.

21. Applicant's mark has a similar appearance to Petitioner's already registered trademarks and, given the similar commercial channel of trade, is confusingly similar to Petitioner's already registered trademarks.
22. When taken as a whole, Applicant's mark is confusingly similar to Petitioner's already registered trademarks.
23. Petitioner's use and registration of its trademarks that use "flora" as a prefix long pre-date the Applicant's filing date of FLORACOL.
24. Upon information and belief, the customer bases of both Petitioner's goods and Applicant's goods are similar.
25. Petitioner will suffer irreparable harm and financial damage by Applicant's use and registration of FLORACOL due to the high likelihood of consumer confusion as to the origin of the goods provided. Therefore, Applicant's application for registration should be refused pursuant to 15 U.S.C. § 1052(d).
26. For the foregoing reasons, Petitioner respectfully requests refusal of U.S. Trademark Application Serial Number 85/845,692 for registration of the word mark FLORACOL in International Class 001.

WHEREFORE, Petitioner believes that it will be damaged by the registration of Applicant's Mark and requests that Applicant's Mark be withdrawn.

Respectfully Submitted,
